Marie Sonnenberg
Merit Openshop Contractors Association of Ontario
638A Sheppard Avenue West, Ste. 218
Toronto, ON M3H 2S1

Marie,

On behalf of the Building Construction Sciences Department at Mohawk College, I would like to thank you for your generous donation of \$500 to be used as prizes in the Mad 4 CAD High School Competition. The Annual Techno – Challenge was a great success with even more High School Students participating this year than in previous years. Through our combined efforts of taking the time to organize a fun filled event and the sponsors donating prizes to provide incentive, we are able to achieve a positive learning experience for hundreds of High School Students in the surrounding communities.

The winner of this year's Mad 4 CAD First Place Prize in the High School Competition is Nick Perrotta of Highland Secondary School. He has received a letter indicating the prize he has won and I have also asked him to write a thank you letter to both the Merit Openshop Contractors Association of Ontario and Mohawk College.

Once again thank you for your support.

Sincerely,

Dan Robichaud
Professor
Building and Construction Sciences Department
Mohawk College, Hamilton, ON L8N 3T2
